PROSPECT INTAKE AND ENGAGEMENT

# From first call to completed application.

**Your 24/7 AI Leasing Assistant. No days off.**

Gydeon's AI agent handles first contact calls, sets up visits, and guides prospects through the application and document collection process.

## First contact call

Answers prospects 24/7, even when your office is closed, and calls back the same day.

## Visit scheduled

Sets up the visit with the prospect.

## Application tracked

Follows the prospect through the application.

## Documents collected

Guides them through document collection.

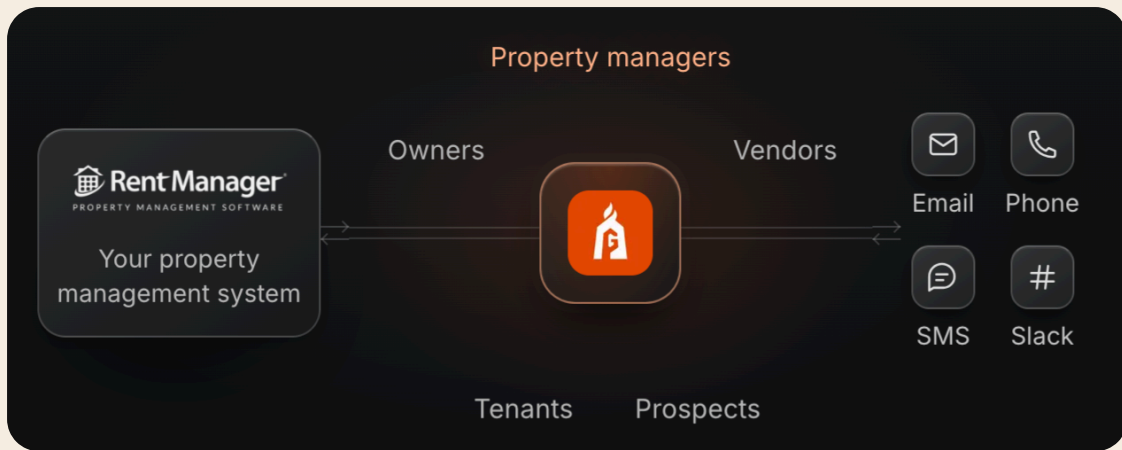

Visit the website for a quick demo

Your team stays in control. Anything that needs a human decision goes to a person.

Neil Teegala, Founder, Gydeon
